NEWS RELEASE

Detour signs will be posted. The interchange project adds a lane to the U.S. 101/SR-23 connector and to US 101 at various locations; widens three bridges; realigns the Moorpark Road ramps; and constructs soundwalls and retaining walls throughout the project limits.

Security Paving is the contractor on the project, estimated to complete in spring 2016. For more information regarding this work, visit the project website www.toaks.org/10123
